PROFESSIONAL EXPERIENCE

Amukelani New Technologies | March 2024 - July 2025

Junior DevOps Engineer

- Designed and implemented CI/CD pipelines in Azure DevOps, reducing deployment time by 30% and accelerating product delivery.
- Automated repeatable infrastructure provisioning with Terraform and PowerShell, improving reliability and reducing manual configuration errors.
- Containerized workloads with Docker and Kubernetes and collaborated on scalable Azure environments.
- Monitored Azure environments to support platform availability and performance.

Mecer Inter-Ed | June 2023 - December 2023

Cloud Developer Trainee

- Deployed cloud-native applications using Azure App Service, Azure Functions and Azure SQL Database.
- Developed Bash and PowerShell scripts and supported continuous delivery workflows with Azure DevOps.

EDUCATION & PROFESSIONAL DEVELOPMENT

Zaio x iHub | Full-Stack Web Development Programme | March 2026 - Present

- Building responsive React applications and API-driven projects using JavaScript, Vite, Node.js, Express.js, MongoDB, Git and GitHub.
- Applying planning, debugging, documentation, deployment and team collaboration across individual and group projects.

Mecer Inter-Ed | Microsoft Azure Cloud Development | 2023

Allanridge Secondary School | National Senior Certificate | 2019

SELECTED PROJECTS

Urban Threads | *HTML5, CSS3, JavaScript, Firebase Authentication, Cloud Firestore, Netlify*

- Built and deployed a responsive e-commerce store with product search and filters, authentication, cart, wishlist, theme switching and real-time Firestore data.

Google Keep Clone | *React, Vite, JavaScript, CSS, Local Storage, Netlify*

- Developed a responsive note-taking application with reusable React components, create/edit/search, archive, bin and persistent browser storage.

Weather Finder | *React, Vite, Weatherstack API, Fetch API, Custom Hooks, Netlify*

- Created a live city weather search with loading, error and empty states, reusable custom-hook logic and environment-based API-key configuration.
